**Introduction to Renting Poplar Forest**

Poplar Forest is, first and foremost, a historic site and national landmark. Thomas Jefferson’s Poplar Forest is owned and operated by a nonprofit group formed in 1983, to rescue the buildings and grounds for the educational and cultural benefit of the public. It has historic structures and grounds, which require special care to preserve and protect for future research and visitors. Poplar Forest may be rented for events but with the understanding that requirements differ from those of a hotel, country club, or restaurant.

Poplar Forest is a preservation work in progress. It is common to have restoration and archaeological work in progress throughout the year. Poplar Forest cannot guarantee the site will appear exactly or in any other condition as when the contract is signed.

It is important that you carefully read the procedures and policies before signing the rental contract. This rental guide is intended to answer questions in regard to hosting an event at Poplar Forest. After reading this guide in its entirety, if you feel Poplar Forest is a good match for your event, please contact Elise Paisant, Programs and Events Coordinator at 434-534-8110 or elise@poplarforest.org to check the availability for your desired date and time.

* Please be aware that the Program and Event Coordinator will not be involved in planning the event but will be available to offer guidance as needed.
Rental Policy

Poplar Forest is a unique site which served as the retreat home of Thomas Jefferson, third President of the United States. The Corporation for Jefferson’s Poplar Forest offers rentals of the grounds and after hour’s tours of the house, according to the guidelines listed below.

1. The protection, preservation, and public presentation of Poplar Forest’s house and grounds are the central and primary focus of this rental policy. The Rental Policy and Facilities Use Agreement are subject to application and interpretation by and at the sole discretion of the President and CEO of Poplar Forest.

2. Poplar Forest cannot guarantee the grounds will look a certain way on the day of the rental. Because the Restoration of the house and grounds including archaeology are all ongoing processes, the grounds and house may be under construction at any point.

3. Individuals or groups may rent Poplar Forest, provided they meet all requirements stated in this rental guide. However, the Board of Directors and/or President for Poplar Forest, reserves the right to decline any rental request, which in their opinion compromises the site or its educational mission or for any other reason satisfactory to the Board and President at their sole discretion.

4. To protect the buildings and grounds and to ensure staff is not distracted from the primary mission of the site, rentals are available when Poplar Forest staff and facilities can appropriately accommodate them. Available dates will be determined after giving first priority to Poplar Forest events and educational activities.

5. At no time will an event be allowed to compromise the conservation process or the general public’s access to and enjoyment of the site, as defined by the following:

   ♦ Rental of the house is not allowed. Prearranged guided tours of the house may be offered during the event with appropriate prior notice if guides and staff are available.
♦ No special tour, private party, or event will be allowed to conflict with the regular schedule of public tours.
♦ All events must take place after Poplar Forest closes to the public (4 p.m. January, February and 5 p.m. March-December)

6. Reservations will be considered up to one year in advance. Poplar Forest reserves the right to remove, without public notice, any unsecured date from the schedule. The Facilities Use Agreement found at the end of this guidebook is a general form of contract that will normally be used.

7. All rentals of Poplar Forest require a signed contract, in which the renter acknowledges he or she has read and agrees to abide by the policies and procedures necessary to rent the property.

8. The Corporation for Jefferson’s Poplar Forest reserves the right to cancel any rental contract at any time, if the renter fails to abide by all requirements set forth in this guide, including without limitation, those outlined in the Required Procedures and Restrictions section. In the event of such cancellation, the Corporation also reserves the right to retain any rental fee and damage deposit paid. If the renter cancels the event after the contract has been signed the rental fee and damage deposit paid to date shall be retained by the Corporation, subject to reimbursement as detailed in the Fees and Cancellations section.

8. Poplar Forest reserves the right to waive or alter any provision set forth in this policy or to impose other conditions and restrictions if, in its sole opinion, it is in the best interest of Poplar Forest.

9. Poplar Forest’s President will make all decisions deemed appropriate to the effective execution of this policy and all its requirements and procedures.

10. The Corporation for Jefferson’s Poplar Forest reserves the right to change this rental guide at any time and without notice.

 güne There are no facilities at Poplar Forest for food preparation or clean up.
All set up and clean up (with the exception of items listed in the next paragraph) must occur within the specified rental period. Neither renter, nor his/her guests, vendors, or others associated with the event will be allowed on the property prior to or after the specified rental time unless they are regular, paying guests or an appointment is made with the Program and Event Coordinator (with the exception of final clean up). This is for security purposes and the safety of the house, grounds, and visitors.

The event must conclude by 10:00 p.m. and all vendors, guests, and other individuals supporting the event must be off site by midnight. *This curfew is strictly enforced.* An hourly fee of $500.00 will be deducted from the damage deposit for any violation of this restriction. In cases when the renter is charged for damages or additional time which meets or exceeds the damage deposit, the renter will be billed for the remaining balance. This fee must be paid in full within 7 days.

**Fees and Cancellations**

To confirm all event reservations, one-half the rental fee of $3,500.00 is required at the time the signed contract is received. Checks must be made payable to The Corporation for Jefferson’s Poplar Forest. The remaining one-half of the rental fee shall be paid not less than 30 days before the Event.
All renters are required to submit a $500.00 damage deposit, which must be received at the time the contract is signed. This payment is to be separate from the rental fee and must be in the form of a check. The damage deposit will be refunded to the renter within 14 days following the event, minus any charges for overtime, cleanup, damage to, or theft of Poplar Forest property.

For cancellations received 30 days or more prior to the event, the rental fee will be returned by mail within 14 days, less a 10% administrative fee. The damage deposit will be returned in full by mail, within 14 days.

At least one Poplar Forest staff member will be on site during the event to ensure compliance with all regulations and rules and to offer guidance as needed.

Poplar Forest reserves the right to terminate, at the renter’s forfeiture of rental fees and damage deposit, any rental reservation, at any time if the renter is found to be in noncompliance with the rental policy or procedures. Should an event become disruptive, Poplar Forest staff reserves the right to contact the proper authorities.

**Cancellations Resulting from Weather or Other Circumstances**

Poplar Forest is not liable for loss or reimbursement of the fees when the renter cancels due to inclement weather, other acts of nature, or circumstances and events other than cancellation by Poplar Forest. It is important the renter discuss a contingency plan for inclement weather, transportation difficulties, natural or other disruptions with the Program and Event Coordinator.
